

Challenges	This solution or project will be hard to do because <u>Alot of kids probably know other ways to bring it in.</u>
-------------------	---

IDEA #3

Problem/Issue to Address	A problem at my school is <u>Dress Code</u> . This is a problem for (students/ teachers / community members) because <u>Its unfair to not be able to wear certain colors.</u>
Possible Solutions/Projects	Our class can fix this problem by making <u>a petition to convince the teachers/staff.</u> or doing _____.
Benefits	This solution or project will be good for our school because <u>Now everyone can wear what they want.</u>
Challenges	This solution or project will be hard to do because <u>Its already a state policy.</u>
