

Challenges	This solution or project will be hard to do because <u>students are too old to listen</u>
-------------------	--

IDEA #3	
Problem/Issue to Address	A problem at my school is <u>Bullying</u> . This is a problem for (<u>students</u> / teachers / community members) because <u>students can be going through stuff</u>
Possible Solutions/Projects	Our class can fix this problem by making real <u>real uniform</u> or doing <u>clothe giveaways to those who need</u>
Benefits	This solution or project will be good for our school because <u>bullying causes suicide</u>
Challenges	This solution or project will be hard to do because <u>everyone might not participate</u>
