Score:  / 100

Question 1

/1

**1. What is the primary role of an employment agency? [00:00:00 - 00:00:23]**

- To directly hire employees for companies
- To provide training programs for jobseekers
- To charge jobseekers for job placements
- To serve as a bridge between jobseekers and employers

Question 2

/1

**How does a jobseeker typically find an employment agency? [00:00:00 - 00:00:23]**

- Through government job listings
- Through social media advertisements
- By attending job fairs only
- Via help wanted ads and online job boards

Question 3

/1

**What fee structure do employment agencies typically follow? [00:00:44 - 00:01:07]**

- They charge jobseekers a subscription fee
- They do not charge any fees
- They only charge for resume writing services
- They charge employers a fee when they find the right employee

Question 4

/1

**What services do employment agencies provide to employers? [00:00:44 - 00:01:07]**

- Free job postings
- Direct hiring without screening
- Only temporary worker placements
- Interviews, screening, and human resource services

Question 5

/1

**What happens if a jobseeker is not a good fit for a job? [00:02:11 - 00:02:33]**

- The agency will stop working with the jobseeker
- The jobseeker must pay for the agency's services
- The employer will have to pay a fine
- The agency can offer other job options

Question 6

/1

**How does an employment agency benefit jobseekers? [00:02:11 - 00:02:33]**

- By charging them less than other agencies
- By offering free training courses
- By providing guaranteed job placements
- By allowing them to apply to multiple jobs with one application
